

**MODALITIES OFA RECOVERY
ACADEMIC YEAR 2026/2027**

Admission to the degree course in Environmental Sciences and Civil Protection, pursuant to D.M. 270/2004 art. 6 paragraph 1, provides that the additional educational obligation OFA in Mathematics and English, obtained following a failed knowledge test or enrolment without participation in the test, must be met within the first year of the course (10 August). Students who have not fulfilled the OFA in Mathematics and English will not be able to sit second- and third-year examinations.

The syllabuses on which the examinations are based can be found on the Department's website www.disva.univpm.it: Teaching activities - Knowledge Assessment Test - Environmental Sciences and Civil Protection - Syllabus

**THE DEPARTMENTAL COUNCIL AT ITS MEETING ON 6/5/2026 ESTABLISHED THE
FOLLOWING:**

Students (even if not yet enrolled in the A.A. 2026/2027)

who participate in the 1st Knowledge Assessment Test scheduled for September 2026 and achieve the Additional Educational Obligation in Mathematics and English will be able to recover their OFA by one of the following methods

- passing the test in subsequent sessions
- passing the exam subject to OFA by 10 August 2027 (if scheduled)
- passing the partial test or written test of the examination subject to OFAs (if any foreseen)

The timetable and procedures will be made available on the Department's website at
