

EVENT INVITATION

GLOBAL ENVIRONMENTAL SCIENCES SUMMIT

June 4, 2021
10:00 AM - 16:00 PM | SGT | CEST | EDT

Join your colleagues from around the world for a unique virtual event experience.

Leading scientists from academia, government, and environmental organizations from across the globe have created a series of keynote addresses, presentations, poster session, interactive live chat and round table discussions on a wide variety of environmental topics including:

- Emerging Contaminants
- Microplastics and Plastics
- Air Quality
- Green Chemistry
- Soil and Agriculture
- Sustainability

Benefit from this unique opportunity to expand your knowledge and connect with experts and peers in your field, directly from the comfort of your home or office.
